

Struggling with the itch caused by eczema?

The image depicted contains models and is being used for illustrative purposes only.

If you are seeking a potential treatment option to relieve your chronic itch (pruritus) related to eczema, consider joining the **KIND Study**.

You may qualify for the **KIND Study** if you:

- 🕒 Are between 18 and 80 years old
- 🕒 Have active eczema
- 🕒 Have had moderate to severe pruritus (itchy skin) for more than 6 weeks

If you are interested in participating, the study team will review additional study criteria with you.

Qualified participants will receive study-related care at no cost.
